

We keep the world rolling!

Morgårdshammar AB is a registered company since 1856. The company manufactures complete plants and equipment for rolling of long steel products. Morgårdshammar is a worldwide well-known company located in Smedjebacken and is since 1987 a part of the Danieli Group, Italy. Danieli is one of the three largest suppliers in the world of equipment and complete plants to the metal industry.

Morgårdshammar is Danieli's division for long products, with special focus on equipment for special steels. Another product line includes design and supply of roller guides for rolling mills.

Purchaser

Job Description

The candidate will mainly work with sourcing relationships and develop and extend Morgårdshammar's supplier network in order to deliver products with the highest quality, on time and cost effectively.

The candidate will be responsible for evaluation and selection of suppliers and contract negotiations for both our aftersales department and project department.

Required Skills

- Strong negotiation skills.
- Excellent verbal and written communication skills in English.
- Excellent understanding of welding and machining drawings.
- Demonstrated interpersonal skills, with the ability to influence all levels of the internal and external organizations cross functionally.
- Very good computer skills in MS Office and experience in working in a business system.
- Ability to travel both within Sweden and internationally
- Knowledge about casting processes is considered a big advantage

Required Experience

- Minimum a few years' experience as a strategic sourcing/purchaser or equivalent experience within the manufacturing industry of welded and machined components.
- Good connections with suppliers of welded, casted and machined metal parts.

Location:

Head office in Smedjebacken or possibly a combination of Smedjebacken/Borlänge.
