

We keep the world rolling!

Morgårdshammar AB is a registered company since 1856. The company manufactures complete plants and equipment for rolling of long steel products. Morgårdshammar is a worldwide well-known company located in Smedjebacken and is since 1987 a part of the Danieli Group, Italy. Danieli is one of the three largest suppliers in the world of equipment and complete plants to the metal industry.

Morgårdshammar is Danieli's division for long products, with special focus on equipment for special steels. Another product line includes design and supply of roller guides for rolling mills.
